

Dear St. Eugene School Supporters,

A lot has happened in a year! I have transitioned from St. Eugene principal to executive director St. Eugene and St. Monica Schools. In this new role I have the privilege of serving both school communities and working with and supporting both principals who are beginning their tenures at St. Eugene and St. Monica. The new governance structure will allow our schools to remain independent, while collaborating in the areas of curriculum, goal setting, visioning, and planning.

We are blessed at St. Eugene to have a talented faculty, dedicated families, accomplished alumni, and a vibrant parish. We invite our supporters to give generously to the Annual Fund. This vital fund allows our school to provide exemplary programs while remaining financially healthy.

May God continue to bless our entire school community.

With deep gratitude,

*Rebecca Jones*

Dear St. Eugene School Community,

Greetings! I hope this correspondence finds you and your family well, enjoying good health and God's love for us.

I am honored to join St. Eugene School as principal. Last spring when I began my job search for a new principal position, I was immediately drawn to St. Eugene School for several reasons. Its high academic standards and Exemplary Recognition are obviously noteworthy. I would argue, however, that the warmth that surrounds the school both in the tangible ways that one sees in the hallways and the intangible feeling one notes from the interactions with its members is even more inspiring. Additionally, I was attracted to the opportunity to work with Rebecca Jones as she assumes the executive director role - a structure that is truly unique to Catholic schools. Finally, after having to close a small Catholic school last year, I wanted to be reassured that the new school I would join is financially sound. This is in great part due to your generous support of St. Eugene School.

It is truly a blessing to lead such a financially stable, welcoming, and faith-filled school. Let us continue to reflect our mission for years to come.

God's blessings,

*Nicolle K. Schroeder*

# 2023-2024 Annual Fund

Dear St. Eugene Supporters,

St. Eugene School is a place of warmth, love, and kindness, and we could not imagine a better school for our children. Our boys have been blessed with

wonderful teachers who care about their well being, and who have inspired them to develop a true love of learning. We see St. Eugene's mission in action every day in our two boys – from growing in faith, character and service, to building a foundation of academic excellence.

Everyone in our school community is committed to and invested in the development of each and every child. St. Eugene does an excellent job of cultivating the unique gifts of each child to set them up for a successful future.

We give to the Annual Fund to ensure that our vibrant school community continues to grow, thrive, and develop children into the best versions of themselves. Thank you for your consideration and support of our wonderful school!

## Why should you give?

The cost to educate one child is approximately \$8,500. This year's tuition is just over \$5,000 per child. The Annual Fund helps to close the gap, keeping tuition costs competitive.

## Where does your gift go?

When you give to the Annual Fund, you are contributing in a variety of ways. Donations to the Annual Fund provide:

- resources to meet the needs of all learners
- tuition assistance to keep Catholic education affordable
- competitive compensation for teachers
- a balanced budget and strong endowment
