

BATTLE OF THE BOOKS

PARENT PERMISSION

Dear Parents,

Battle of the Books is a program to encourage students to read. We would like the 4th – 6th graders at St. Eugene School to have the opportunity to be involved in Battle of the Books. There are more than 15 schools in the area participating in this program and the final competition involves the winning teams from each of these schools playing against each other. Soon, we will meet with students to explain the program and the attached sheets should give you further information.

Teams are made up of three students. Although the reading can be done on their own, they might need to get together, outside of school time, to study together and compare notes.

Competitions will take place in January, February and March. We are looking for parents who would be interested in learning more about the program in order to help with the organization and competitions. Days and times of the competitions have not been determined yet. Please feel free to contact us with any questions.

We look forward to a year filled with reading!

Sincerely,
